- “A” Leapfrog Hospital Safety Grade since 2016; top 10% performance in its PSI-90 patient safety composite results
- Inpatient market share greater than 70%; outpatient market share greater than 80%

Baldrige-Based Award Programs Serving Indiana

The [Alliance for Performance Excellence](#) is a nonprofit national network of Baldrige-based organizations with a mission to grow performance excellence in support of a thriving Baldrige community. Alliance members include Baldrige-based programs that use the Baldrige Excellence Framework to serve organizations from all sectors in their region, state, or a specific industry. These programs annually evaluate and recognize over 1,000 organizations and serve as the feeder system for the national Baldrige Award.

[The Partnership for Excellence](#) (TPE), an Alliance for Performance Excellence member program, is Ohio’s, Indiana’s, and West Virginia’s Baldrige-based state awards program. Headquartered in Columbus, Ohio, its mission is to cultivate organizational performance excellence and continuous improvement. TPE assists organizations through self-assessments by evaluating organizational approaches. Its primary product is a comprehensive Baldrige-based organizational

assessment that helps leaders better understand and prioritize key strengths and opportunities for improvement. Its highest award is the Platinum-Level Governor's Award for Excellence.

The [AHCA/NCAL National Quality Award Program](#), an Alliance for Performance Excellence member, provides a pathway toward performance excellence for providers of long-term and post-acute care services. The program is based on the core values and criteria of the Baldrige Performance Excellence Program.

- Over 4 years, **100% of customers surveyed would recommend the company** to others (Stellar Solutions)

The Baldrige Performance Excellence Program

Created with Congressional authorization in 1987, the Baldrige Program helps organizations improve and succeed in the global marketplace. It is the only public-private partnership and Presidential award program dedicated to improving U.S. organizations. In collaboration with the Baldrige community, the Baldrige Program offers a systems approach to organizational excellence, award-winning leadership development, self-assessment tools, organizational assessments by trained experts, workshops on how to improve, and events that showcase best management practices.

The data presented, in some cases, are estimates of the best available information.
