Mid-America Transplant is a private, nonprofit organ procurement organization (OPO) and eye and tissue bank primarily serving 84 counties in eastern Missouri, southern Illinois, and northeastern Arkansas. Mid-America Transplant works with partner hospitals to procure donated organs and tissues and then provide them to transplant centers and tissue processors.

Highlights

- 167% increase in organs transplanted and 350% increase in tissue donors in 2020
- Among the top-performing OPOs nationwide, with more than 125 organs transplanted annually per 1 million (population) since 2017
- Overall rates of satisfaction by local organ transplant center and tissue processor customers sustained above 4.5 on a five-point scale since 2017
- Through the first year of the COVID-19 pandemic, maintained a very low rate of missed organ referrals (sustained near zero from 2017 through 2020) and a best-possible rate of timely organ referrals (100% done within 90 minutes from the time of the donor's death)
- Overall workforce engagement that consistently exceeds two external industry comparisons

Baldrige-Based Award Programs Serving Missouri

The [Alliance for Performance Excellence](#) is a nonprofit national network of Baldrige-based organizations with a mission to grow performance excellence in support of a thriving Baldrige community. Alliance members include Baldrige-based programs that use the Baldrige Excellence Framework to serve organizations from all sectors in their region, state, or a specific industry. These programs annually evaluate and recognize over 1,000 organizations and serve as the feeder system for the national Baldrige Award.

The [Quality Texas Foundation](#) (QTF), an Alliance for Performance Excellence member, was organized by the governor in 1994 to use the Baldrige Criteria (part of the Baldrige Excellence Framework) to improve Texas organizations. Today, QTF's regional program supports Texas, Puerto Rico, Missouri, Kansas, Louisiana, and South Carolina. QTF wide range of offerings include organizational assessment/feedback, recognition/awards, an annual conference, membership opportunities, organization-specific examiner training, applicant training/coaching, writing seminars, site visit training, organizational leadership/examiner training, leadership/strategic planning/customer service/workforce engagement/info. analysis, measures, and building a learning organization training, Communities of Excellence seminars, and faith-based seminars with specific criteria for religious institutions.

The [AHCA/NCAL National Quality Award Program](#), an Alliance for Performance Excellence member, provides a pathway toward performance excellence for providers of long-term and post-acute care services. The program is based on the core values and criteria of the Baldrige Performance Excellence Program.

The [Communities of Excellence Learning Collaborative](#) introduces communities to the Baldrige-based Communities of Excellence Framework. The framework promotes collaboration across key sectors and aligns the efforts of businesses, organizations, school systems, and government communitywide to implement and sustain community change.

The Baldrige Performance Excellence Program

Created with Congressional authorization in 1987, the Baldrige Program helps organizations improve and succeed in the global marketplace. It is the only public-private partnership and Presidential award program dedicated to improving U.S. organizations. In collaboration with the Baldrige community, the Baldrige Program offers a systems approach to organizational excellence, award-winning leadership development, self-assessment tools, organizational assessments by trained experts, workshops on how to improve, and events that showcase best management practices.
