The Baldrige Performance Excellence Program

Created with Congressional authorization in 1987, the Baldrige Program helps organizations improve and succeed in the global marketplace. It is the only public-private partnership and Presidential award program dedicated to improving U.S. organizations. In collaboration with the Baldrige community, the Baldrige Program offers a systems approach to organizational excellence, award-winning leadership development, self-assessment tools, organizational assessments by trained experts, workshops on how to improve, and events that showcase best management practices.
